- b) Team members must attend **ALL** required activities including:
  - Home games (football, assigned boy's soccer, and boy's and girl's basketball), practices, performances, and ALL competitions
- c) Dancers must maintain the academic standard as mandated by CHSAA
  - Coaches' standard is a 2.50 GPA, and any grade at a C or below will constitute a discussion with a member of the coaching staff to assess if the student needs to take time away from team practices and performances to focus on academics
  - The coaches receive weekly grade reports and will address problems each week as necessary
- d) Students must maintain consistent attendance
  - If a student misses more than half of the school day (four periods), they are to notify a coach and will not attend practice
  - The dancer may or may not perform following an absence depending on the timing at the coaches' discretion
- e) Being on varsity or junior varsity one year in no way guarantees being on the same or any team in the future.
  - All dancers will go through the same selection process each year. There is no set number of dancers who will make either team.
  - Tryouts will be evaluated by the coaching staff and outside qualified judges
  - The entire audition packet, filled out and signed, is required on dates specified in the tryout packet.
- f) **Varsity** captains will complete the captain tryout process
  - The total number of captains and their grade levels are subject to change each year
  - The only requirement to be considered for captain is that the dancer is a returning varsity member.
  - The exact roles of the captains will be discussed with the selected captains, the coaches, and the team during practice soon after tryouts.
- g) **Junior Varsity** captains
  - The total number of captains and their grade levels are subject to change each year
  - The exact roles of the captains will be discussed with the captains, the coaches, and the team during a practice at the beginning of the school year. If there are returning JV members, the coaching staff may announce captains with the tryout results. However, at the coach's discretion the team may experience summer practices and camp without captains and then captains will be selected in August.

### III Conduct

- a) By accepting your position as a Broomfield High School Pom, each dancer accepts responsibility of her actions and choices, which by nature of our sport are viewed more publicly than the general student population. BHS Poms represent the school at all times, in uniform or not, and are expected to behave accordingly.
- b) Appropriate appearance is required at all times in accordance to CHSAA and BHS rules
  - Performances: the correct uniform or chosen outfit
  - Practice: appropriate practice attire including dance pants or shorts, fitted shirts, dance shoes, hair up, no jewelry, shoes at all times, and “public school” attire during school  
(See BHS dress code)
  - School Spirit Days: must wear assigned outfit every school spirit day as notified by captains or coaches, including game days, state week, show week, etc.
- c) Smoking, vaping, drinking, inappropriate social media presence, or lewd behavior, on or off campus, is strictly prohibited. Each offense will be taken to the Athletic Director for disciplinary action as outlined in the code of conduct each girl signs when registering with the high school athletic department. Photographic or other documentation constitutes a 20% withdrawal from all sanctioned activity. Second offenses constitute at 50% withdrawal.

### IV Estimated Costs

- a) New competition uniforms, if purchased, will be decided on by the coaching staff and every girl will be required to purchase them.
- b) New pom practice and camp gear will be discussed and chosen each year. Every girl is required to purchase new items, and returning members have the option to replace any clothes we keep. If a dancer has grown and wishes to replace any piece of her uniform that is always possible and up to her parents’ discretion.
